## SPRING 2025

### LITERACY, RHETORIC, AND CULTURE

20270 Dr. Irene L. Clark  
WED 4-6:45 JR 352

Open to Undergraduate and Graduate Students

How are they connected? How do people become literate?  
What is the relationship between literacy and power?  
What does it mean to be literate in an increasingly  
technological and multicultural society?

How does rhetoric relate to these questions?

We will have lively discussions and examine concepts that are  
crucial for everyone to understand—especially NOW.

Core Course for Writing and Rhetoric Minor
